

# The Beat Dance Company's **Season 12** Policies & Fees

All BDC dancers must have a parent/guardian registered for an account with our **Dance Studio Pro (DSP)** system. As a DSP account holder, the parent/guardian can input family & student information, view our studio schedule and announcements, enroll in classes, access documents & sound files, and pay online.

Payment to The Beat Dance Company is accepted through the DSP system by credit card, or in person by cash or check payable to The Beat. If paying by check, please be sure to write your child's name in the memo line. Credit is not accepted in person at this time.

A non-refundable **Annual Registration Fee** is assessed upon registration for Season 10 classes at The Beat Dance Company, Ltd.. The rate is \$15 for a single student, or \$25 for a family (multiple students). Registration fees are due open enrollment in order to guarantee placement in a class.

**Monthly Tuition** is due the first of the month, with a grace period extending through the 10th. Tuition rates are based on hours of study per week at The Beat. All tuition must be received online by credit card or in person at the BDC reception desk in order to avoid a late fee. A charge of \$15 will be added to any unpaid account on the 11th of the month.

**Recital Costume Fees** will be assessed for all dancers performing in our Season 12 Recital in May 2020. Costumes typically range from \$45-\$75 per dance.

Season 12 **Recital Tickets** are sold to our dance families and the community in order to cover the cost of auditorium rental, production expenses, and staffing. Reserved seating tickets are sold online approximately one month prior to the performance date. Dancers will not need a ticket for the recital.
